

Project Sheet – Trimming the Town Gift Card Holder

Supplies:

Stamps & Bundles: Wrapped in Christmas Stamp Set

Ink: Poppy Parade Classic Stampin' Pad

Stampin' Blends:

Stampin' Write Markers:

Card Stock: Old Olive, Poppy Parade

Designer Series Paper: Trimming the Town

Misc. Paper: Medium Whisper White Envelopes

Tools: Paper Trimmer, 1 ½" Circle Punch, Dog Builder Punch

Embellishments: All the Trimmings Ribbon Combo Pack

Adhesives: Snail Adhesive or Multipurpose Liquid Glue, Stampin' Dimensionals/Mini Stampin' Dimensionals, Glue Dots

Directions:

1. Cut Old Olive card stock 4 ¼" x 11", score at 2" & 5 ½". Fold in half, then fold 2" score line so flap is inside the card.
2. Cut Trimming the Town Designer Series Paper 3 ¼" x 4" and adhere to card front as shown.
3. Cut Trimming the Town DSP (same or coordinating pattern) 1 ¾" x 4". Punch out semi-circle using 1 ½" Circle Punch. Adhere to inside flap. Then punch semi-circle from Old Olive card stock showing with same punch. TIP: I think it is easier to punch the layers separately than together.
4. Make the pocket for the gift card holder by adhering the top and bottom of the inside flap only to the card base. TIP: I suggest you use just a very thin line of Multipurpose Glue at the top and bottom of the flap.
5. Cut ½" x 3 ¼" piece of DSP and adhere horizontally to card front as shown.
6. Tie bow with All the Trimmings Ribbon and adhere to card front as shown using Glue Dot.
7. Cut Whisper White card stock 5 ¼" x 4". Lay on inside right of open card but do not adhere. Holding in place, close card and note how much width you have from right edge for stamping. TIP: You can make a small pencil mark that can be erased later or keep the card closed.
8. Stamp sentiment in Poppy Parade as shown.
9. Punch 3 hearts from Poppy Parade card stock using Dog Builder Punch. Adhere the 3 hearts to Whisper White card stock so that they line up with the DSP on the card front.

Happy Stamping!
