**Stampin' Write Markers:**

**Paper:** Real Red and Whisper White card stocks; Gold Foil Sheets, All is Bright Designer Series Paper

**Tools:** Stampin' Trimmer, Simply Scored, Paper Snips

**Embellishments:** Red Rhinestone Basic Jewels

**Adhesives:** Multipurpose Glue, Snail Adhesive,

### Directions:

1. You will cut 2 pieces of Real Red card stock to form the base of your Quarter Fold Card. Cut one piece 4 ¼" x 11", score at 2 ¾" and 8 ¼" on long side, fold on score lines.
2. Cut a second piece of Real Red card stock 5 3/8" x 8 ½", score at 2 1/8" and 6 3/8" on long side, fold on score lines.
3. Lay longer piece of Real Red card stock horizontally. Turn second piece of card stock vertically and adhere to first one using Snail Adhesive or Multipurpose Glue. The center rectangle of each piece will be one on top of the other.

4. Complete inside of card but layering 5" x 3 3/4" Whisper White card stock onto 5 3/8" x 4 1/8" Gold Foil Paper. Adhere layers to inside of card using Snail Adhesive or Multipurpose Glue.
5. Cut 1" x 3 3/4" piece of All is Bright Designer Series Paper and adhere to left side of layers on inside of card.
6. Now close the card by folding the 4 flaps toward the center of the card as follows: left flap, top flap, right flap, then bottom flap. When folding the bottom flap up, you will tuck the left corner under the left flapped that was folded in first.
7. Now cut 3 coordinating but different pieces of All is Bright Designer Series Paper and 1 piece of Gold Foil Paper 2 1/2" x 1 7/8". Adhere these to the 4 corners of the card front as shown.
8. Cut Whisper White card stock 2 3/8" x 1 3/4" and stamp sentiment from Merry Christmas to All stamp set using Shaded Spruce ink. Adhere to Gold Foil rectangle.
9. Embellish stamped sentiment with Red Rhinestone Jewels. TIP: The Take Your Pick Tool is my favorite for placing embellishments where you want them with great ease.
10. Tie bow with Real Red 3/8" Mixed Satin Ribbon and adhere to upper right corner of card front as shown using Glue Dot.
