**Adhesives:** Snail Adhesive, Stampin' Dimensionals, Mini Stampin' Dimensionals, Glue Dots

### **Directions:**

1. Cut Cherry Cobbler card stock 5 ½" x 11", score at 4 ¼" on long side, and fold in half.
2. Cut 4" x 5 ¼" Whisper White card stock, stamp small sailboat in lower right corner, and adhere to inside of card. TIP: If you plan to stamp a sentiment on the inside of the card, do it before adhering card stock to inside.
3. Cut navy striped paper from Come Sail Away DSP 4" x 5 ¼" and adhere to card front using Snail Adhesive.
4. Cut Nested Label from Whisper White card stock using 2<sup>nd</sup> largest Stitched Nested Label Die. TIP: You will need to cut off right side so that from the left point to right side measures approximately 3".
5. Stamp color splat from Artisan Textures Stamp Set in Night of Navy. TIP: I "stamped off" on mine for a lighter shade of navy. You can stamp a second and third time without reinking if you want to fill in more of the label.
6. Adhere stamped Stitched Nested Label to upper right portion of card front as shown using Snail Adhesive.
7. Stamp large and small sailboats in Night of Navy ink on Sahara Sand card stock, color with Dark Cherry Cobbler Stampin' Blends Marker as shown, and cut out with coordinating Smooth Sailing Dies. Adhere to card front as shown using Stampin' Dimensionals or Mini Stampin' Dimensionals.
8. Cut "wheel" from Soft Suede card stock using die from Come Sail Away Dies. Adhere to lower left corner of card front as shown using Glue Dot.
9. Adhere Red Rhinestone to center of wheel using Take Your Pick Tool.
10. Stamp small Sailboat on lower left corner of envelope and color with Dark Cherry Cobbler Stampin' Blends marker as shown.
